There are about 500 acres of grasses to be cut for hay making in the District Livestock Farm, South Kanara and it is not possible to carry out the work without mowing machines, tedder and rake. Besides army catterpillar attacks are reported from neighbouring villages and it is feared that the locusts may also cause havoc in the farm. The grasses are ready for harvest. Therefore, the Superintendent, District Livestock Farm, South Kanara has been permitted to purchase the two mowing machines reported by him to be readily available with Messrs. Volkart Bros., Agency at Bangalore at the costs furnished below:-

1. Mc Cormic Deering No.9 Zerol Gear Mower .. Rs.970/-
2. Mc Cormic Deering Combination side rake and Tedder 8 ft. .. Rs.1174/-

I, therefore, request that Government may be pleased to sanction the purchase of the two mowing machines at a cost of Rs.2144/- (Rupees two thousand one hundred and forty four only) and approve the action of ordering the purchase in anticipation of Government sanction.

Yours faithfully,

for DIRECTOR OF ANIMAL HUSBANDRY,
